#### **TECHNICAL DATA**

Working pressure: ..... Acc. to table standard size.

#### Certificates

EN10204. 3.1 certificate

ltem	Description	Material	Qty
1	Welding male	1.4301/1.4404	1
2	Nut	1.4301	1
3	Gasket	Silicon	2
4	Sight glass disc	Tempered	1

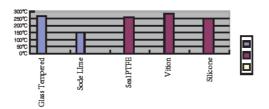

## **Applications**

Its compact design also makes this unit ideal for inspection use in small bio-reactor vessels and the lids of manways or inspection hatches.

Used widely in the food, dairy, beverage, cosmetic and pharmaceutical industries, these units can be enhanced by the addition of optional wiper assemblies and also low voltage 24v/IP 65 sight & light assemblies.

## **Operating conditions:**

These fittings are available for pressure up to 6 bar (depending on size, higher pressure rating on request). For temperature rating (depending on material selection) see the following diagram.

#### **Ordering Information:**

Tempered and borosilicate glass view ports to DIN 8902

Range of food grade seal materials including

EPDM, Silicone, Viton® and PTFE

Wetted parts available in 316L 1.4404, 304SS 1.4401

IP65 rated low voltage 24v / 12V lights with 20 to 50 Watt halogen lamps

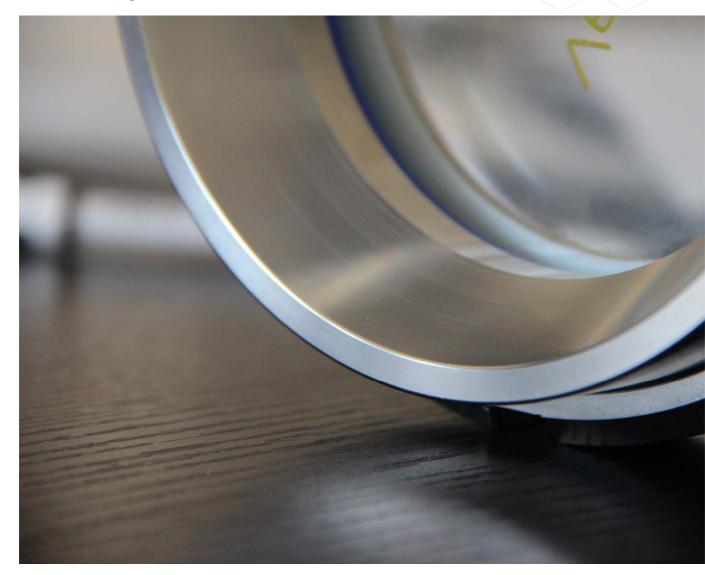

**Note:** Low voltage assemblies are only suitable for use in non explosive hazardous areas.
